Re:

Domsey Trading Corp., et al.

Case No. 29-CA-14548, et al.

Dear Judge Marcionese:

Our client Arthur Salm, on behalf of the Domsey Corporations, would like to be present at the remanded hearing to personally observe the claimants when they testify. We are now advised that his current medical condition will not permit him to travel to New York for that purpose at this time. A note explaining this from his physician, Dr. Falkowitz, is enclosed.

Given that circumstance, we are obliged to request that the hearing now scheduled to convene on July 26th be continued to September of this year to allow Mr. Salm time to gain strength and recover sufficiently to endure the necessary travel.

Respectfully,

Margolin & Pierce, LLP,

Errol F. Ma
